SUMMARY

I've spent 6 years in B2B SaaS marketing, starting in search at ManageEngine and now running paid acquisition at SurveySparrow. My work covers paid search, LinkedIn, account-based marketing (ABM) and conversion rate optimization (CRO), with \$5M+ in ad spend managed along the way.

- Launched paid acquisition for SparrowGenie, a newly launched product, generating 10 leads from \$4K spend in its first month.
- Turned integration questions from Sales calls into search campaigns for Salesforce, Zendesk and HubSpot, driving \$186K in revenue since Q4 2023.
- Launched a free migration campaign within a week of Qualtrics sunseting Delighted, generating \$48K in pipeline and \$18K in revenue.
